# Taiwan Agricultural Machinery Manufacturer's Association (TAMMA)

## Introduction :

The Association was established in 1980, the rationale for the Board of Supervisors has entered its thirteenth, former chairman and current chairman of Mr. Lin Yong-fu enthusiastic conference, member companies to grow year after year, now stands over 320, which is a joint effort by all members, welcome to the relevant manufacturers of agricultural machinery to join us, and we work hard together, to manufacture high-quality products to the international arena in Taiwan!

In recent years, frequent exchanges with the mainland China , both has this will exchange visits, establish a good relationship.

Overseas exhibitors and exchange nor had interrupted Board of Foreign Trade Association grant application led members overseas exhibitors, in India, Thailand, Malaysia, Korea, Indonesia play groups fighting spirit to the whole island tidy planning and decorating show "Taiwan agricultural boutique Pavilion" to the entire output of the model, sell a complete line of Taiwan farm, received a warm welcome and trust developed countries !

## Outline :

1. Association website provides member companies free portal service, the official website link members.
2. Offer referrals abroad and foreign agricultural machinery exhibition of agricultural related information notice.
3. Overseas Exhibitors: Exhibitors Association tour can apply for government grants concessions.
4. The host of domestic agricultural machinery exhibition.

# Comlink BLDC Electric Gardening Tools

*Electronic Grass Cutter-- no# 1 Sales in Taiwan Market.*

Made in Taiwan · Highest efficiency · Longest Running Time

**BLDC is certified by national agricultural machinery department.**

The 1st Grass Cutter certified by National TARI.  
(Taiwan Agricultural Research Institute)

Up to 700 square meters cutting power per hour is the highest efficiency record in Taiwan so far.

## 產品特色

### Features

- ◆ 榮獲國內外多項專利  
Awarded many patents at home and aboard.
- ◆ 全國首創，全機無螺旋設計，有效解決碎米問題  
The first whole machine is designed without screw conveyor for solving the problem of crushing grains efficiently.
- ◆ 間接熱源傳導技術，顯著降低燃爐灰燼汙染穀物  
Indirect Heat Transfer Technique, reduce pollutants flowing to grains.
- ◆ 控制盤搭配觸控螢幕，操作簡便，無須特定專業人員  
Control panel with HMI. It is easy to use for non-specific person.
- ◆ 適用穀物：稻穀、玉米、小麥、咖啡和豆類  
Suitable grains : Paddy、Corn、Wheat、Coffee beans and Beans.

# Your BEST CHOICE FOR Disinfect ODOR CONTROL AIR-COOLED JT FOG MACHINE + HCIO MAKER

## What is HCIO?

HCIO is a multifunctional water disinfectant, it can restrain microorganism and virus breed also can control odor.HCIO is safe , affordable and high bactericidal activity.

It won't cause environmental pollution but the weakness is the validity period is short.

HCIO maker for use with fog machine is the best way to Disinfect, Odor Control, Clean.

# 割草神刀盤

## The wonderful mowing

### Worldwide distributors wanted.

This product is designed by a professional mowing person with decades experiences in farming.

The mowing knives on the market even are safe but no efficiency. Even with efficiency, they includes potential danger, and are heavy and expensive. To overcome these shortcomings, the mowing is designed with round knife and plastic rope combined

By sustained testing and improvement, it is named "the wonderful mowing" due to light and handy, fast safe and durable.

2018 10<sup>20</sup> ~ 10<sup>22</sup>  
 International Agricultural  
 Machinery and Materials Exhibition

# 2019

## International Agricultural Machinery and Materials Exhibition

Date: October 19-21, 2019

Location: Huwei Township High Speed Rail Special District,  
Yunlin County

This exhibition is the largest, most professional and most authoritative agricultural machinery in Taiwan. At the show held in 2018, there were a total of 1,200 large and small booths and 236 companies in attendance. Delegations and individual visitors came from counties all over the world. It was estimated that 350,000 foreign and local visitors attended the show. We firmly believe that the 2019 International Agricultural Machinery and Materials Exhibition will shine even more brightly if you are in attendance !

**Welcome to join with us in this Exhibition!**

# Bangli Rechargeable Electric Trimmer

## Powerful Than 43cc Engine

Super Large Torque Force 2.6N.m.  
Ultra High Rotation Rate 7000rpm

Battery Digital Power Display

Stepless Linear Accelerator Grip

24-Slot Brushless motor

**BL-1201**

**2-year Warranty on Trimmer and Battery**

### Specification:

Model	BL-1201
Motor	44.4V DC Brushless motor
Max. Rotational Speed	7000rpm
Battery Capacity / Weight	11Ah / 4kg
Charge Time	3.5hr (4A Charger)
Operation Time	Monofilament 1-3hr, Blade 3-4hr
Dimension / Weight	161cm / 2.75kg

### Certification:

Lithium-ion Battery  
SGS UN38.3 International  
Traffic Safety Certification
